DETAILS

The Australian International B14 Association has secured a Group Booking for accommodation at the Apartments owned and operated by the University of Tasmania.

The University is immediately adjacent to the Royal Yacht Club of Tasmania, and the apartments are an easy walk away from the Club.

The Apartments were built approximately three years ago and are in extremely good condition and are pleasant to stay in. They look more like ski lodges than student accommodation!

Each apartment comprises 6 single bedrooms (very large, but only with a single bed in each), set around a large air conditioned open plan lounge / dining area and kitchen. There are two separate bathrooms in the apartment, each with toilet and shower. The kitchen is fully equipped for self catering if desired with fridge, stove, oven, microwave, dishwasher, plates, cutlery, cooking utensils etc. The lounge has TV, satellite TV connection, DVD, CD etc. There is bed linen, doonas, pillows and towels included. There is a large communal laundry, but you will need your own washing powder.

Free car parking is available adjacent to the apartments. There is no catering (other than by self) available at the apartments. There is a supermarket 2 minutes walk from the Yacht Club in adjacent Sandy Bay.

To secure the apartments, we have had to make a Group Booking as the University will only deal with one person making the booking. They also only operate on a whole 6 bedroom apartment on a weekly basis, so we have had to book for two complete weeks. **Check in will be Sunday 28th December 2008 and check out will be Sunday 11th January 2009.** At this stage if enough notice is given, we may be able to secure an apartment either earlier or later than these dates if required....but you will need to contact us soon.

The cost of each apartment is **AUD\$26.50** per room per night. For our English friends, that is approximately **£12.70 per night**. As you need to take out the whole 6 bedroom apartment for the entire two weeks, we will take bookings in groups of 6 rooms initially. Groups of less than 6 rooms will be taken and matched up with other groups to make 6 where possible on a first in basis. If there is a shortfall in a group of 6 rooms, then those staying in the remaining rooms will need to cover the balance. It will not be possible to book an apartment for less than the whole 2 weeks duration.

The total cost per individual room for the two week period is AUD\$371.00. The total cost for each 6 bedroom apartment for the two week period is AUD\$2,226.00.

We will require a deposit of 10% of the total cost to be paid by the 1st July 2008 and the balance by the 1st December 2008.
